Indoor - Medium traffic

185 Essence™

Affordable yet very functional with a high water absorption capacity of over 4 litres per square meter. This product is the perfect solution to fit any budget while providing a quality entrance matting solution.

The uni-colours are made from soft nylon yarns with rich colour tones that stay bright even after prolonged use and hides dust and fine particles.

Low profile allows foot, cart and wheelchair traffic to move easily over the mat.

Vinyl backing is moisture resistant and slip resistant.
